TRCCA Membership/Voting: Many of you have just taken office as County Chairman, in order to fulfill your county's primary duties; we thank you and look forward to welcoming you! By virtue of our bylaws, all Texas Republican County Chairmen are members of TRCCA, the Texas Republican County Chairmen's Association, who serves as an auxiliary organization of RPT in order to educate and support county chairmen. Paid members have some additional benefits, including voting at our General Meetings, so if you would like to pay your membership dues, in order to have voting rights at this upcoming TRCCA General Meeting, please visit www.TRCCA.com/membership. You may also visit this website for more information about TRCCA, or contact me with any questions.

Discounted Hotel Block: The TRCCA Meetings will be taking place the same weekend, and at the same location, as the December Quarterly SREC Meeting, and we are invited to utilize their discounted hotel block. Please see attachment for reservation details, the deadline is November 9.

December SREC Meeting: The TRCCA Meetings will be taking place the same weekend, and at the same location, as the December Quarterly SREC Meeting, and county chairmen are encouraged to attend. Committee Meetings will take place on Friday, December 1, and the General Session will take place on Saturday, December 2. We will forward the full schedule once we receive it. Staying involved with your SREC Members and their quarterly meetings is important for grassroots communication between county parties and the state party.

Other Weekend Events: Stay tuned as we work to coordinate some other fun events this weekend to promote fellowship and networking as we enter the 2018 Primary season!

We hope to see in you in December!
